CHAPIN HALL EQUITY FIRST SUMMER ASSOCIATES PROGRAM

APPLY TODAY!

Advancing PhD Students for Real-World Impact in Racial Equity

\$10,000
STIPEND

The Equity First Summer Associates six-week program is your opportunity to focus on applying principles of racial equity in non-academic environments. This program is tailored for Chicago-area PhD candidates who have completed two years of their program, faced barriers due to racial discrimination, and are eager to leverage their scholarship for real-world impact. A maximum of five associates will be selected for the program, which will run June 10 - July 25, 2024.

Learn more about this and other racial equity initiatives at Chapinhall.org/equity or write to us at EquityFirstSummerAssociates@ChapinHall.org
